Terms and Conditions

1. All rates & charges quoted are net/net. Please add for mutual profit.
2. Rates do not include pre-pull, waiting time, storage, or equipment demurrage, detention and subject to carriers weight limitation requirement. All charges due to overweight will be billed to customers' account. Any deliveries required before 10:00am may be charged a container pre-pull fee.
3. Unless otherwise specified, rate is based on live loading and offloading which includes 1 hour of free time. A fee of \$65.00 per hour or part of will apply thereafter.
4. Charges will be based on the equipment indicated. Shippers load and count. Shipper is responsible for loading, blocking and bracing cargo in the container at their liability and expense unless these services are quoted and provided by ITN Logistics.
5. This offer is based on current rates and services and subject to surcharge changes by the

carriers. These rates may be subject to GRI/PSS.

6. Cargo insurance is calculated at 110% of the CIF value with a deductible of \$250 CAD unless otherwise stated. Unless listed, cargo insurance is not included.
7. Rates are based on the information provided to ITN at the time of the quotation. ITN reserves the right to re-quote should any changes be made.
8. Rates are subject to carriers weight limitation requirement, all charges due to overweight will be billed to customer's account.
9. Unless otherwise indicated, rates do not include customs clearance, duties, taxes, letter of credit and legalization fees.
10. Additional surcharges will apply for hazardous, restricted or over dimensional cargo. Unless noted otherwise, rates are not valid for personal effects or scrap commodities.
11. ITN Logistics operates under the CIFFA standard trading conditions, copies of which are available upon request.
12. Rates subject to carrier space/equipment availability.
13. Rates based on Incoterm 2010.
14. Rates are subject to customs examination fees (if applicable).
15. International law requires that all non-manufactured wood being shipping must be treated in accordance with ISPM #15 regulations. The wood must be marked with the IPPC symbol for treated wood packaging materials or be accompanied by a phytosanitary certificate. Failure to comply with these regulations will result in penalties and extra charges.
16. Offer is based on present currency exchange rate and is subject to change.
17. For each correction that is requested to a bill of lading after you have already approved the bill, a fee of \$75.00CAD will be charged.
18. Payment may be subject to COD unless credit terms have been established with ITN Logistics.
19. Quotation validity is based on the actual sailing date of the mother vessel.
20. Shipper accepts responsibility for the potential regulatory penalties and all costs associated with the handling of the containers without the Verified Gross Mass or miss declaration of the Verified Gross Mass as stipulated by National r19.
21. ITN provides weighing services of containers and/or cargo at additional cost.

Thank you for the opportunity to offer our services.
